The Board of Education wishes this school to keep the ideals of Americanism as set forth by our forefathers. We endeavor to preserve these ideals for future generations and to guard against any false doctrines which aim to destroy our freedom and way of life.

It is the ambition of the Board of Education to maintain the high standards for which the school was instituted. In this way we hope to send out a Class better prepared to take a place in world affairs each year.

BIG WHEELS

MR. VENEN
Principal

The chief blessing of an intelligent being, that makes all other blessings poor, is the improvement of his own mind. Man is glorious and happy, not by what he has, but by what he is.

Channing.

I deem it an honor to accept this space in which to extend my best wishes to the Class of 1951. I hope your short stay here has helped to prepare you for your place in the troubled world. May you help prove that "the foundation of every state is the education of its youth."

MEET THE DRIVERS

First row: E. Szoyka, treasurer; R. Sredinsky, secretary.
Second row: J. Luxner, vice president; G. Herbick, president.

TO OUR FRIENDS:

Goodbye, dear friends, both old and new,
We'll come back to visit you,
To watch the juniors take the reins,
And try to conquer senior strains;
To hear the sophomores say with thanks,
"At last we're in the upper ranks,"
To see the frosh with some delight,
Become grown sophomores over night.

We thank you all for what you've done
To make this life a happy one.
. . . . But before we leave today,
"Please miss us—we'd like to stay."

To obtain membership, one must take two years of Latin and at the mid-term of the first year, members are taken in if their grades average B or higher.

The interests of the club are based on further knowledge of Latin and the classics of Roman Times. To further their culture, a group of students each year visit the Buhl Planetarium during Latin Week. Last year they also visited Heinz to see the actual operations of the plant.

In the spring of last year our school was asked to be represented at the State Convention of Latin Students. Patricia Popson, a senior, was elected secretary.

With only four lettermen, Olchesky, Buday, Bruce, and Mondichak, returning, the nucleus of Coach Cree's '50 eleven came from the green junior reserves of last year's county champs. Many of the boys never played a full quarter of varsity football. Enough credit cannot be given Mr. Cree and Mr. Cusimano in coaching this green team thru a hard nine game schedule.

The Mikes first test was Monongahela City. The Mon. City Maulers came to Carmichaels highly rated and lived up to expectations by blanketing the Mikes 26-6. Sy Mondichak scored the lone Creemen's T.D.

Next, treking to East Beth, the Mikes put the Bulldogs in the doghouse to the tune of 13-0.

Coach Al Cree's crew then traveled to Masontown and put up a battle the likes of which will never be seen in this neck of the woods for many moons. After the smoke cleared the score book read 7-0, the goose egg being handed to the Mikes after a hard fought battle that showed Tommy Buday scoring a T.D. for the Mikes. But an off-side penalty erased the score. The high-light of the game was the surprising power of the green Cumberland line that held the highly rated Masontown team inside the Mike 5 yard line for 4 downs. The Gunners, later to go to the Class "B" championship, scored in the last minutes of the fourth quarter.

Elizabeth and Mapletown were the next to meet the Mikes, who in turn humbled them by the scores of 19-13 and 20-0.

The Mikes then went to Jefferson and after the game was over, the Jeffs boasted a 7-0 victory over the scrapping Cumberlanders. The Jeffs, who took the coveted Greene County championship from the Mikes, were outplayed when they started their T.D. drive.

Coming to Carmichaels the Waynesburg team hoped to beat the Mikes. But, still mad over the defeat handed them at Jefferson, the Mikes rolled over Waynesburg's Red Raiders 27-6.

The Mikes next gave a veteran Brownsville team a fight right down to the final seconds. The game was high-lighted by Chuck Grimm's 98 yard T.D. sprint, the longest of this season in the county. But due to three blocked extra point kicks the Brownies won the hard-fought contest 27-25.

FOOTBALL

Rain postponed the Point Marion game 3 days, but the Mikes finally played the Pointers on a Monday night. The field was soggy and the players were soggier as the Mikes sidetracked Pt. Marion 19-0.

Thus ended the 1950 football season for the Cumberland Township eleven. The season record was better than it looked. Most of the boys from this year and strong reserves will give the team of '51 a strong, better than average chance for Class "B" laurels.

Although the season record, nine wins and twelve losses, is not as impressive as it might have been, it is, nevertheless, nothing of which to be ashamed. A lot of good basketball was played and the fans realized that each member of the team was playing to the best of his ability. Each player was trying his utmost to have the team emerge victorious in every contest.

If it had not been for lack of experienced players and a few bad breaks, the team might have succeeded in winning the section title for the fifth consecutive time. But, due to this lack of an experienced team, Coach Cree had to experiment throughout the season to find the full capabilities of the players.

At the beginning of the season his efforts seemed fruitless. It looked as though we would be lucky to finish the season with only two or three victories. But, Cree refused to admit defeat and by further experimentation, such as pulling up players from the B squad, benching regulars, and a few other minor changes, he finally came up with a winning aggregation. Although these changes were realized too late in the season to do much good toward winning the section title, they enabled the team to finish the season playing their remaining games like that of a championship basketball team.
